

OPEYEMI SAMUEL MUHAMMED

Junior Full-Stack Developer | DevOps Enthusiast & AI-Assisted Developer

✉ ope.cloudengr@gmail.com ☎ +234 705 987 7722 📍 Ogun State, Nigeria

Professional Objective

Full-stack developer with hands-on experience building web applications, REST APIs, authenticated systems, and database-backed products — from idea to deployed MVP, using Next.js, Node.js, Python, and PostgreSQL. Brings a disciplined, engineering problem-solving mindset from a background in Metallurgical Engineering, now applied to debugging, building, and shipping software. Currently deepening skills in DevOps, cloud deployment, and AI-assisted development, and seeking opportunities to contribute to real engineering and product teams.

Work Experience

Teacher (Mathematics, Physics & Technical Drawing), United Union College 05/2022 – 08/2022
Ilorin, Kwara State

- Taught Mathematics, Physics, and Technical Drawing to secondary school students.
- Developed lesson plans and learning materials, strengthening communication and problem-solving skills transferable to technical reporting and training.

Welding Assistant (Internship), Olaiya Metal Works 06/2018 – 11/2018
Ilorin, Kwara State

- Assisted senior welders on metal fabrication and repair projects, gaining hands-on practice in Shielded Metal Arc Welding (SMAW).
- Carried out material preparation including cutting, grinding, and surface cleaning ahead of welding operations.
- Adhered to strict workshop safety protocols and maintained an organised, hazard-free work area.

Furniture Assembler / Assistant, Henny Ola Furniture 10/2015 – 03/2017
Arepo, Ogun State

- Assisted in assembly, repair, and finishing of wooden and metal furniture using hand and power tools.
- Handled material measurement, cutting, and fastening with attention to precision and durability.
- Maintained a tidy, safety-conscious workshop environment.

Education

Higher National Diploma (HND) in Metallurgical Engineering, 10/2023 – 09/2025
Kwara State Polytechnic Ilorin, Kwara State

Coursework in corrosion science, extractive and physical metallurgy, materials testing, and engineering drawing.

Diploma in Theology, 10/2021 – 09/2023
United Missionary Church of Africa Theological College (UMCATC) Ilorin

Award: Best Student of Diploma Class.

National Diploma (ND) in Metallurgical Engineering, Kwara State Polytechnic 10/2017 – 09/2019
Ilorin, Kwara State

West African Senior School Certificate Examination (WASSCE), 09/2012 – 09/2015
Great Michael Comprehensive College Shasha, Lagos State

Technical Skills

- React & Next.js (frontend)
 - PostgreSQL, Prisma & SQLAlchemy
 - REST API design & integration
 - Cloud deployment (Railway, Vercel)
 - Technical / engineering drawing
 - Microsoft Office (Word, Excel, PowerPoint)
- Node.js & Python (backend)
 - Linux, Docker & Git
 - AI-assisted development (Claude Code)
 - Debugging & codebase analysis
 - Report writing & data analysis
 - Teamwork and adaptability

Training & Certifications

DevOps Engineering, TS Academy	05/2026 – Present Online
Backend Programming, Pediforte Coding Academy	04/2026 – 07/2026 Akobo, Ibadan
Furniture Making, Henny Ola Furniture	2011 – 2015 Arepo, Ogun State
Computing, Him Computing and Technology Institute	07/2015 Arepo, Ogun State

Languages

English	Yoruba
Fluent	Native
